# Editor's Comment

**AS the annual Victorian event fast approaches I have been asked by several local traders to use my "soap box" to make a public appeal!**

The appeal is to support your local traders and shop local whenever possible in the run up to Christmas.

I know I have banged the drum

before but after what has been a very difficult year for many, Christmas is the one time of the year many shop keepers depend on to get them through the winter months.

I am told some traders take 50 per cent of their annual income in the four weeks leading up to Christmas!

We are blessed with a wide

variety of businesses in the village centre but if we don't use them we could lose them.

With the cost of petrol these days it probably makes more sense to shop locally rather than travelling any great distance - and with plenty of great eating establishments you can make a day of it.

So when you are ready to get into the festive spirit enjoy a walk down in to the village centre and see what it has to offer - I am sure you will be pleasantly surprised.

Meanwhile well done to Culcheth Lions and the local parish council for all the hard work and support which goes into making Victorian Day such a special occasion.

## Healthy science

As part of Science Week at Newchurch Community Primary School pupils had a healthy Cafe where they tried different types of fruit and vegetable along with nutritious drinks.

Eating their fruit and vegetables are year two pupils from left, Mia Hancox, Alex Benson, Lucas Higham and Isabella Shaw.

# Councillor suspended by his party

**CHRIS Vobe, who sensationally won seats on three councils in the May elections, has been suspended from the Labour Party in an ongoing political row which has become the subject of a police investigation.**

But the son of local MP and Shadow Local Government Minister Helen Jones remains a member of Culcheth and Glazebury Parish Council, Croft Parish Council and Warrington Borough Council.

It is understood the police investigation involves the alleged hacking of email accounts.

A spokeswoman for Cheshire Police said: "On October 3, police received information relating to the unlawful access of data held on private computers in the Warrington area."

"The investigation remains in its early stages and enquiries are continuing."

Cllr Vobe was the second member of the borough council to be

suspended by the Labour Party in a matter of months.

Earlier, Cllr Hitesh Patel, an executive board member of the Labour-controlled authority, was suspended from the party pending an internal investigation by Labour's regional office.

At the time, he said "This is a purely political dispute which will be resolved internally by the Labour Party."

"There are serious questions for Helen Jones MP to answer about the conduct and behaviour of her son, Cllr Chris Vobe, towards democratically elected Labour councillors in Warrington and I expect to be exonerated."

He said there had been no breach of a councillor's code of conduct.

Cllr Terry O'Neill, leader of the

borough council, said neither suspension was anything to do with the Labour group on the council.

He said: "Cllr Vobe has been suspended by the Labour Party's National Compliance Unit. There will be an internal investigation but as there is a criminal investigation that obviously takes precedence."

There is a long history of in-fighting between factions of the Labour Party at Warrington leading to councillors being suspended by the party. In the last couple of year, the party has been plagued by a series of anonymous emails leaking information to the press and other political parties.

## Charlie's an Ultra winner

**CHARLIE Sharpe from Croft has been confirmed as winner of the 2012 UK Ultra running championship - after running 210 miles over six qualifying races.**

A personal trainer in Warrington, he has raised more than £2,000 for the Reverse Rett Syndrome charity.

An Ultra race is one longer than a 26.2 mile marathon.

The longest he ran non-stop was 150 miles, which took 36 hours 23 minutes but the sixth, which finally clinched his title was a 31-mile race finishing outside Nottingham Castle.

About 560 runners took part in one or more qualifying race during the year.

More information about Ultra runs is available at [www.ultrarace.co.uk/content/p/how-does-it-work.asp](http://www.ultrarace.co.uk/content/p/how-does-it-work.asp)

## 'Pavement café' plan approved

BOROUGH planning chiefs have cleared the way for a "pavement café" outside a shop in Lodge Drive, Culcheth.

Culcheth and Glazebury Parish Council and borough councillor Chris Vobe opposed an application by Greenhalgh's Craft Bakery to provide an outdoor seating area outside a former clothing shop on The Parade - and pointed out that the parish plan indicated there were enough restaurants and fast food outlets in the village already.

They were also concerned about litter, parking and the lack of indoor space to store tables and chairs used outdoors.

But officers told the borough's planning committee only about 35 per cent of food sold at the shop would be hot, with the great majority for consumption off the premises.

The land in front of the shop was private property, not adopted public highway.

However, a pavement café licence would have to be applied for.

# Victorian Day is on the way!

FINAL arrangements are now being made for this year's Culcheth Victorian Day event, which takes place in the village on Saturday, November 24.

After last year's successful event, 2012 promises to be even better!

Organised by Lions members and supported by the parish council, it is hoped shopkeepers and residents alike will be dressing up in Victorian costume in celebration.

Get into the spirit of the day with mulled wine, hot chestnuts and seasonal food, on the Parade, or have fun on a variety of fairground attractions. Not one, but TWO Christmas Fayres - one each in the Parish and Methodist Halls.

Santa will be delighting children at his grotto (in the Methodist Church) during the day, but as evening approaches, at around 4.20pm he will parade to Lodge Drive to switch on the Christmas lights. The lights in the trees around the Village Green are provided by the Parish council who have again combined forces with Culcheth Lions to ensure that after Santa has switched-on the lights, the FREE Firework Display which follows will be bigger and better than ever before.

Those that still have the energy can continue to enjoy the fun as the fairground rides will continue into the evening.

Look out for Lions Club members selling raffle tickets in the village during November - your chance to win a massive Christmas Hamper and to raise funds for the Lions to help local good causes.

The Art Group will be holding their exhibition in the Age Concern building, so why not pop along for refreshments and to vote for your favourite pictures.

Culcheth Lions are a small club with only 8 members, which means that organising an event of this size is quite a challenge. If you would like to get involved, perhaps to help with the organisation or take to part in the entertainment, please get in touch. Amateur street entertainers and strolling players are welcome to demonstrate their skills, whether for an hour or all day long!

For further information, phone Lion Frank on 01925 768881.

## 'Deadly's' 10th anniversary quiz

**ALAN 'Deadly' Dedicoot - the voice behind Strictly Come Dancing and the Lottery Show - is to visit Culcheth for the 10th year running on Sunday November 18 to host a quiz in aid of BBC Children in Need.**

The venue as usual is The Royal British Legion Club, Wigshaw Lane. Tickets cost £8.00 including supper and are available either from the bar or from Elaine Durrington - phone 01925 764697.

All proceeds from the quiz go directly to BBC Children in Need.

Elaine said: "Let's make this 10th anniversary special!"

## Tony's still on track!

**AFTER a series of injuries, former motor cycle ace Tony Salt retired from the sport he loved, thinking he had gone as far as he could go.**

But he missed the thrill of racing against icons such as Barry Sheen and Mick Grant and went back to the sport - only to find he was unable to buy his favourite Michelin tyres.

So when the time came for him to finally quit the racing circuits he turned his skills to starting his own business, importing the tyres from France.

As TST Tyres (Tony Salt Tyres) the former mechanic's business thrived and expanded, eventually moving to the Taylor Business Park in Warrington Road, Risley under the name of Culcheth Tyres.

Now the business provides a range of tyres for cars, motor bikes and motor cycle racing.

It also offers a range of car

servicing, general repairs, brakes, exhausts, etc., all carried out by expert staff at competitive prices - and backed by the experience of Tony's 14-year racing career.

# Legion prepares for biggest f

**CULCHETH Royal British Legion are busy preparing for Remembrance Sunday and the Poppy Appeal which is the biggest fundraising event of the year.**

The money raised is used to provide financial, social and emotional support to serving and ex-Service personnel and their families.

Not just those who fought in the two World Wars, but also those involved in the many conflicts since 1945 and those who are still serving today.

Culcheth Royal British Legion President Chris Chapman MBE said: "We here in Culcheth and surrounding district are lucky we have our own Royal British Legion Club, which has also been named "The Village Club".

"The Legion as it is affectionately known is not just for service personnel and their families, but for the whole community and everybody is welcome.

Club Steward Warren Bibby said: "We have a fantastic facility with lots of activities for both young and old."

Les Styles from Styles & Co Accountants has recently taken over as Club Chairman and stated "We must never forget the hard work everybody carries out here at the Legion. We raised £33000 last year for service personnel and their families all due to the fantastic effort and input by our Poppy Appeal organiser Roy Constable and his team including, 70 Squadron ATC who once again turned out at Bents Garden Centre and all the local Schools and businesses within Culcheth and surrounding areas."

President Chris is keen to promote the Remembrance Sunday Parade that has grown in size and reputation over recent years. With the backing of the local Parish Council he wants the whole community to come

together and march from the Legion to Newchurch Parish Church to the sound of "Pipes & Drums" performed by 70 Squadron (Culcheth & Croft) Air Cadets.

After the Remembrance Church service, serving commissioned officers will be taking the salute on the march back to the Village Club on Wigshaw Lane.

Chris is also keen to promote the whole weekend which has a themed 1940s feel, starting with a dinner night on Friday November 9, a families' night on Saturday, November 10 and the parade which will take place on Sunday November 11 at 10am, followed by a whole afternoon of family entertainment.

The weekend's entertainment will be Armed Forces ENSA entertainers as seen on BBC's Turn Back Time.

"It's going to be a fantastic nostalgic experience not to be missed and I'll certainly be there," added club and branch secretary Ian Ferguson.

John Hughes who is the Branch chairman is keen to explore opportunities for business's to get involved with both the Poppy Appeal but also on a long term relationship to improve the facilities for future generations.

The Legion has come a long way in recent years and now provides a great selection of food in comfortable surroundings for all the family so why not come along everybody is welcome.

For more information on the Remembrance Day Parade the weekend's events and all the activities please call in at the Village Club on

## The Gardening Guide

November...

- Key bulbs to plant out now are daffodils, tulips, alliums & anemones
- Planting your bulbs together will help to give them protection & support from the weather
- As space becomes vacant, dig over soil, adding a good quality manure
- If you are planning a bonfire display in your garden, make sure to remove any debris beforehand
- Use leaves as mulch to protect sensitive plants from freezing temperatures

Have a great November in your garden & enjoy the fireworks!

# Scooter crawl raised £1,000

A BUNCH of friends from Culcheth decided on an unusual event to raise funds for charity.

The men from Boca Seniors Football Team went on a 5k kids scooter challenge pub crawl, all wearing animal costumes.

They raised more than £1,000 for the charity they support, Zoe's Place, Babies Hospice, which has a branch in Liverpool.

They started from the Greyhound Hotel, on the East Lancs Road, and visited pubs on the way back to Culcheth, finishing at The Cherry Tree.

Pictured are (left to right) Mike Simms, Aidan O'Reilly, Terry Pearson, Mike Kirkham, Neil Tatton, Craig Rostock, Kyle Tatton and Matt Garner.

## New addition to the dining scene

LATEST addition to the dining scene in Culcheth is the East India Lounge, in Church Lane - opposite the Harrow pub.

An independent, family-run business, it has no affiliation with any other restaurant in the village and is promising new, tantalising dishes along with old favourites on their extensive menu.

These include Nawaab Sirazi Murgh and Koshai Boti Massala, which have already proved a hit with local diners

Others include Rajahstani lamb chops, Tandoori marinated lamb chops cooked in a rich red chilli based sauce and Goan Machli Mossollam (tender pieces of tilapia - a fresh water fish cooked with mustard seeds, green chillies, coconut milk and spices).

There is an extensive wine list and pleasant surroundings in which to enjoy a leisurely, hassle free meal.

The restaurant also offers a takeaway service with a 10 per cent discount on all collections and also a free delivery service.

From December 1 the restaurant opens at noon everyday until the New Year for party bookings etc.

## Ida's letter from the Palace - 20 years too soon!

**IDA Wood is such a "pillar of the community" in Culcheth that on her 80th birthday, friends tried to arrange a special surprise - a card from the Queen 20 years too soon!**

They didn't succeed - Her Majesty gets so many requests that she has to stick to her rule of a birthday card for centenarians only.

But they got the next best thing - a letter from Buckingham Palace.

Ann Duberry wrote to the Queen telling her all about Ida's community activities.

She wrote: "Ida truly is a 'pillar of the community.' Over the last three years she has had two hip replacement operations, been diagnosed with diabetes and rheumatoid arthritis, has suffered a severe reaction to penicillin and has had numerous chest infections.

"And yet she carries on running classes at the Age Concern Centre. She runs three keep fit classes and two line dancing classes each week.

"Ida takes no payment for any of this and even pays her own class fee!

"She organises trips to the theatre and numerous days out. She is a lifeline for most of the members, the majority being widowed senior citizens.

"She arranged a Diamond Jubilee celebration, providing a party for 56 club members."

Mrs Duberry added that Ida was probably one of the biggest fans of

the Royal family and was "thoroughly taken with William and Kate."

The Palace reply came from lady-in-waiting Susan Hussey, who explained that because of the number of similar requests, the Queen was only able to send congratulations to people celebrating their 100th birthday or Diamond Wedding.

She added: "Her Majesty was, however, most interested to hear of the valuable role played by Mrs Wood in the local community and of her tremendous voluntary work at the Age Concern Centre in Culcheth."

The Queen was also touched to hear of Ida's loyal support and hoped she would enjoy her birthday celebrations.

## Charity that helps children

CROFT WI heard about the work of popular charity The Children's Adventure Farm Trust which provides support for terminally ill, disabled and disadvantaged children.

Speaker Jenny O'Hare told members how the trust provides free holidays, respite care, activity days and a special Christmas programme for youngsters throughout the North West.

The charity is based at a beautiful 17th century farmhouse set in 10 acres of Cheshire countryside and resources available include a sports hall, music room, adventure playground and Indian reservation.

The charity is supported by businesses and once a year volunteers participate in global sponsored treks to challenging destinations including the Grand Canyon and the Costa Rican rainforests.

Ms O'Hare told members that this year's trek will be the three volcanoes (one still active) of Italy and the 33 people involved hope to generate £40,000 by their efforts. Next year they hope to climb to Everest Base Camp.

At the meeting Anne Tansey deputised for the president and the competition was won by Joan Johnson.

Future events include a theatre visit to Manchester and a trip to Media City, Salford.

## How to use your washing machine!

HINTS on the best ways of using washing machines and soap powders were given to members of Culcheth WI.

Peter White, of Proctor and Gamble, was guest speaker and he discussed the difference in gel and powder, explaining that powder fades clothes after many washes and gel does not. He talked about the different types of washing and conditioning products, and about sorting washing and the meaning of laundry labels in clothes.

He donated a variety of products to be raffled. A vote of thanks was given by Ann Hambleton.

The meeting in the Parish Hall was opened with a welcome by the President Lillian Houghton. She thanked Mary Bardsley for the flowers for the table.

Two members' birthdays were celebrated and tea hostesses were Ann Hambleton, Barbara Van Russell, Jean Coulton and Barbara Worthington.

Future events include a Celtic Evening and a dinner.

## Myths and misconceptions about accountants

In our day to day working lives we are reminded about certain myths and misconceptions that the general public have about accountants. This month we are taking the opportunity to dispel these myths and let you know how we are different.

**"Accountants are boring and don't like people"**

At Styles and Co we have friendly approachable staff who pride themselves on the relationships that they have with our clients.

**"With accountants, the clock is always ticking"**

We offer our clients an all inclusive fixed fee package that ensures there are no surprises and no "ticking clock".

**"Accountants only process numbers"**

Yes we process the numbers, but more importantly we understand the numbers and can help you to better grasp your financial information. This will enable you to act on your numbers to help you achieve the remarkable results you desire.

**"I only see my accountant once a year...if I'm lucky!"**

That isn't good enough! We keep regular contact with our clients throughout the year, for example, through quarterly board meetings or pre year end tax planning meetings, to ensure that we continuously add value to the service our clients receive.

**"Small businesses don't need accountants"**

All businesses need to be able to budget, prepare financial information and be aware of the latest tax reliefs. We ensure that we are always looking out for the best financial interests of both you personally and your company.

*Please note the contents of our article are intended to inform rather than advise and you should always take professional advice before taking action.*

If you would like to be looked after by accountants who break the mould, then please contact Ian Lloyd or Graeme Hindley at Styles and Co on 01925 761600.

# Villagers to be consulted on playing field

## RESIDENTS of Croft are to be consulted on the future off the village playing field.

Croft Parish Council has decided to call a public meeting after receiving a request from the National Playing Fields Association to rename the field the Queen Elizabeth II Playing Field to mark Jubilee Year, the Olympics and the Paralympics.

The field is currently owned by the parish council and the change would involve creating a charitable trust, of which the council would be part, to administer the field.

It would also involve consulting the Playing Fields Association on any

future proposals, changes, etc., for the field.

Cllr Les Hoyle said: "Some members of the parish council feel that as the field belongs to the people of Croft, they should be consulted."

"The change would protect the field as a playing field for future generations, but it would also mean the parish council would lose some control, in that they would have to consult the Playing Fields' Association about any proposals for the field.

"We need to know what the people of Croft think."

A date for the public meeting will be announced as soon as possible.

## Fashion fund-raiser for three schools

## Motoring

# Big car delivers economy and safety

THE new Mazda 6, which is due to arrive in January, is a big car which still manages to deliver impressive fuel economy of more than 64mpg (2.21 diesel) or more than 50mpg (2.01 petrol) thanks to its new SKYACTIV engines.

But if that, and the car's racy looks, are not enough to attract you, perhaps the range of advanced safety technologies will be.

They are designed to recognise hazards, avoid collisions and reduce the

severity of accidents when they cannot be avoided.

Called i-ACTIVSENSE, they make use of sophisticated detection devices such as milliwave radars and cameras.

The range will vary from country to country, but in Japan it includes radar cruise control, forward obstruction warning, rear vehicle monitoring, high beam control system, adaptive front-lighting system, smart city brake support and acceleration control (for automatic transmission).
